

OCCUPATIONAL HEALTH AND SAFETY POLICY STATEMENT

Xtreme Action Cleaners (Private) Limited aims to apply world class standards of practice in order to safeguard the safety and health of humans involved in or associated with all aspects of its cleaning business

In pursuant of the company's zero harm goal, Xtreme action is committed to:

- Establishing, implementing and continuously improving an Occupational Safety and Health (OS&H) management system in compliant with international standards
- Identifying, complying with and continuously updating OS&H legislation and other requirements applicable to our cleaning business
- Continuously monitoring and measuring our occupational, safety and health performance against pre-set objectives and identifying opportunities for continual improvement
- Integrating safety and health objectives into our management systems at all levels and functions.

We expect all employees and other stakeholders, to fulfil their OS&H responsibilities. Management is ultimately accountable for the prevention of injuries and occupational illnesses.
